

## GENERAL INFORMATION

***Please thoroughly review all of the information below before starting the I-20 application process.***

This information is designed for students who plan to study at MCPHS in F-1 Student immigration status. Please read instructions very carefully to ensure a smooth application process.

Please note that if you are currently in the U.S. in a different immigration status, you may be required to change to F-1 status to study, **or** you may be able to remain in your current status but have limitations on what sort of activities you may engage in during your program of study.

Visitor Visa/Visa Waiver

- **B1/B2/WB/WT Visitor** status prohibits full-time study or enrollment in a degree program. You must change your status prior to your first semester.

For the below statuses and any other immigration visas, you should contact your sponsor for additional guidance.

- **F-2 Dependent status** allows for enrollment in a degree program but prohibits full-time study and any work authorization.
- **H-4 Dependent status** allows for enrollment in a degree program and full-time study but typically prohibits work authorization.
- **J-2 Dependent status** allows for enrollment in a degree program and full-time study but prohibits work authorization without first obtaining an Employment Authorization Document from the United States Citizenship & Immigration Service. J-2 Dependent students will need to consult with their program sponsor, who issued the form DS-2019.

If your current immigration status does not permit you to achieve your goals, you may be required to change it to F-1 Student.

If you have any questions regarding changing your immigration status, please contact Immigration & International Support Services by phone (617) 732-2816 or by email at [internationalservices@mcphs.edu](mailto:internationalservices@mcphs.edu).

If you have any other questions or concerns, please contact International Admissions by phone (617) 732-2787 or by email at [international.admission@mcphs.edu](mailto:international.admission@mcphs.edu).

## FORM I-20 CERTIFICATE OF ELIGIBILITY

The Form I-20 Certificate of Eligibility (I-20) is a summary of the biographical and academic program information reflected in the student record that we will create for you in the U.S. Department of Homeland Security's Student Exchange Visitor Information System (SEVIS). You will need your I-20 when you apply for an F-1 Student visa from the U.S. Department of State and when you present to U.S. Customs & Border Protection when upon entry to the U.S.

### What Do You Need to Request a Form I-20?

To formally request an I-20, you will need to submit the following documents:

- Completed Electronic Form I-20 Application
  - Please note that the Electronic Form I-20 Application does not save your progress, and, as such, you must complete and submit the form in one sitting.
  - Enter your name exactly as it appears in your passport.
  - List all dependents (spouse and/or child(ren)) you plan to join you on your Electronic Form I-20 Application, listing their names exactly as they do in their passport(s).
    - Note: Only your spouse and unmarried, minor children under the age of 21 are eligible to enter the U.S. in F-2 Dependent status. Each dependent must receive his/her own I-20 to obtain an F-2 Dependent visa.
- Upload Support Documents
  - Copy of the biographical page(s) of your passport.
  - Proof of available funds to finance your education. Please see the **Funding Your Education** section below.
  - Copy of the biographical page(s) of each Dependent's passport, if applicable.

### Currently Studying in F-1 Status at Another U.S.-based Academic Institution?

In addition to the above listed requirements, you will also need to submit the following documentation:

- **Notice of SEVIS Record Transfer to MCPHS** form completed by both you and a DSO at your current school.
- [I-94 Admission Document](#)
- Copy of the F-1 Visa (Canadians/Bermudans exempt).
- Copy of page 1 and 2 of most recent I-20 issued to you by your current academic institution.
- Copy of any I-797 Approval Notice for change to F-1 status within the U.S., if applicable.
- If you are currently in a Post-Completion Optional Practical Training period, a copy of your Employment Authorization Document (EAD).

If you or your DSO have any questions regarding your SEVIS Record Transfer, please contact Immigration & International Support Services by phone (617) 732-2816 or by email [internationalservices@mcphs.edu](mailto:internationalservices@mcphs.edu).

### How To Submit Form I-20 Support Documentation

To submit the required documents, please login to your [MCPHS Application Portal](#) and upload them to your active program application. If you have trouble uploading documents, you can send the documents [operations.admission@mcphs.edu](mailto:operations.admission@mcphs.edu) as email attachments in separate, individual files. **Please do not send your documentation as one single PDF file.** When submitting your documents, you **MUST** provide your seven-digit MCPHS Student ID Number and your full name.

### Retrieve New Form I-20

Immigration and International Support Services will create your SEVIS I-20 once we receive all requested documents and they meet all immigration requirements. You will be notified via your MCPHS email address when your new I-20 is ready to download from <https://global.mcphs.edu>. You must have your MCPHS credentials to log in. After you download your new SEVIS I-20, print and sign your SEVIS I-20 with a **blue** ink pen.

### Form I-20s and Arrival in the U.S.

Included in the email notification of your Form I-20 availability will be information about your arrival in the U.S. Please follow the instructions carefully. There are important deadlines and necessary actions to complete upon your arrival.

**CHECK YOUR MCPHS EMAIL REGULARLY**

### FUNDING YOUR EDUCATION

U.S. immigration regulations require MCPHS University to ensure that you possess adequate funding to cover your tuition, fees, living expenses, and other expenses for **at least one year of study** in order to issue you a Form I-20. It is strongly recommended that you request multiple copies of the documentation listed below, as you may be required to present to them at your visa application appointment.

Please refer to the ***I-20 Total Estimated Annual Budget (2026-2027)*** for financial estimates.

#### Types of Funding

Your funding can be:

- personal (your own money),
- from another individual (like from a family member or a friend),
- a third-party organization (like your home government or company), or
- MCPHS University (a scholarship or assistantship)

***All funds must be guaranteed for payment or available for immediate withdrawal. Please note that additional funding must be provided for any accompanying dependent for which a Dependent I-20 will be issued.***

#### How Much Funding Do You Need to Document?

You must prove you possess sufficient funds to cover your program's Total Estimated Annual Cost of Attendance:

A - Tuition and Fees

B - Living Expenses

C - Dependent Expenses, if applicable

**A + B + C = Total Estimated Annual Cost of Attendance**

Please note that your actual costs may vary from your total estimated cost of attendance, but you still must show that you possess at least the total estimated cost of attendance in order for MCPHS to issue an I-20 to you. Tuition and fee estimates are based on historic yearly increases. Please refer to the attached ***MCPHS University Estimated Cost of Attendance*** handout for required funding totals and the attached ***Financial Documentation Requirements for New I-20 documents*** handout that outlines information requirements for each financial document type.
