Please note exam times and room assignments are subject to change, so please check back periodically. If your course is not listed on the exam schedule, please view your course information on Blackboard or contact your instructor.

The final exam schedule includes make-up times for exams canceled due to inclement weather or other unforeseen circumstances (e.g., power outages, fire alarms). Students and faculty are expected to take these dates into account when planning any travel (i.e., they should not purchase nonrefundable tickets to leave before the make-up date). **Saturday, May 2, 2026** is the designated Spring 2026 exam make up day; please plan accordingly.
