Title IV Authorization Form

Student Name _____ MCPHS ID _____

Funds received under the Title IV programs include Federal Stafford Loan, Federal Perkins Loan, Federal PLUS Loan, Federal Pell Grant, and Federal SEOG. If you have a Title IV credit balance from the disbursement of these funds to your student account at any time during the school year, MCPHS University is required by government regulations to obtain your permission to apply these funds to non-tuition related charges. If you do not grant authorization, your federal financial aid cannot be used to pay for charges other than tuition, fees, university housing, and meal plans. If you have any questions about this form or about Title IV funds you have received, please contact the Office of Student Financial Services or email us at sfs@mcphs.edu.

I authorize MCPHS University to use any Title IV fund credit balance to pay for any charges that I may incur, such as, but not limited to, University health insurance, parking fees, and late fees.

I AUTHORIZE the above statement.

I DO NOT AUTHORIZE the above statement and will pay out of pocket for any non-tuition charges I might occur.

I understand that this authorization to apply Title IV funds to my student account is voluntary and remains in effect for the duration of my MCPHS University Education. I further understand that I can change or rescind this authorization by contacting Student Financial Services in writing.
