The School of Arts and Sciences
The MCPHS Academic Experience: Knowledge and Skills Building

• Supporting students in the first year:
  • What we are trying to accomplish in the first year
    • Teaching knowledge and skills pertinent to healthcare
    • Introduction to the Major
      • Instructor
      • Peer mentor
Things your student might say...

- “Why do I have to take courses that don’t matter/aren’t going to help me?”
- “I have too much work to do, and I can’t get it all done.”
- “I not getting the grade I want in a course.”
- “I haven’t made any friends yet.”
- “I’m feeling overwhelmed/stressed/pressured.”
