Funding Resources for Students

National Memberships

• All students are allowed to join national memberships.

• Campus Life will reimburse students half of the amount, up to $50 maximum, for one membership to a professional organization.

• No membership drives will occur through clubs and professional organizations. Each student must purchase their membership through national organizations directly.

• The process for this is purchasing a student membership from the national organization of your choice and then submitting a reimbursement request with all receipts.
Funding Resources for Students

Conferences

• Students may receive **up to $150** in reimbursement(s) for attendance at an approved Conference(s)/ Professional Development Programs per academic year.

• Students may only be reimbursed for registration fees **only for one conference/ professional development program.**
  • The Conference Request/Approval Form must be filled out at least FOUR (4) weeks before the date of the proposed conference.
