¹DPT, CAPPs, and all lab-based or clinical graduate programs

ENGLISH SUPPORT DURING YOUR STUDIES

English Language Resource Center (ELRC)

The ELRC provides support to multilingual students who want to strengthen their English language skills to study more effectively. Faculty specialized in teaching English as a second language offer tutoring, and other forms of support.

COME TO BOSTON TO PERFECT YOUR ENGLISH

MCPHS has agreements with the following schools of English as a second language, allowing you to get used to living in Boston while finalizing your English Language Proficiency requirements:

- » [Boston University CELOP](#)
- » [Kaplan International Centers](#)
- » [EF Education](#)
- » [EC Language Centers](#)
